

Fred L. Yancey, machinist, employed at the Richmond branch of the American Locomotive Company, came home Saturday morning, after working all night and quarreled with his wife. He then went into another room and picked up a small phial of carbolic acid, which she had bought for household purposes a few days ago, went into the bathroom. Fifteen minutes later, his brother-in-law, Samuel Bowles, went to the bathroom and found the door locked. Hearing groans on the inside, Bowles broke in and found Yancey lying on the floor with the empty phial beside him. He dragged the prostrate man out into the hall, where death ensued in a few moments before a doctor could be summoned.

## "I HAVE NOW THROWN MY CRUTCHES ASIDE" SAYS, MRS. SNYDER.

Suffered Many Years From Rheumatism. Gives all Credit to Dreco

"When a medicine gets you over troubles you've had for years and takes you off crutches, there's nothing in the world too good to say about it, and that's what Dreco has done for me, and I certainly ought to be willing to testify to the truth and let everybody know about it."

This unusual statement was made by Mrs. C. Snyder of 439 Liberty Street, Alexandria, Pa.

"Yes," continued Mrs. Snyder, "I've been a cripple with rheumatism for a long time and for three years I've been using crutches and hadn't been able to do anything about the house for a good many years back. That's the plain fact and my folks and all the neighbors know of my helpless condition, and will tell you the same thing any time you ask 'em."

"I would have severe pains in the hips and small of my back even when I wasn't trying to get about, and besides that, I was not in a very good general condition. It may have started because I couldn't get about and take exercise, but I lost my appetite and things didn't taste good nor agree with me after I had eaten. I was constipated a good deal, too."

"I saw where Dreco was helping a great many people and I thought maybe it would make me feel a little better even if it failed to help my pains; but I am happy to say it has done 100 times more than I expected, for I have laid aside the old crutches and am now actually doing all my house work."

"I have taken five bottles and can walk anywhere I want to without crutches and my rheumatism pains have left me. My appetite is good and I can eat anything I want without its bothering me in the least, and I believe if I continue to take it awhile longer it will make me entirely well for good and all."

"I want everybody to know about this great medicine, for it certainly is wonderful—my case ought to prove that to anybody. I want everybody that has such troubles to get it and stop wasting their money on quack medicines."

Dreco is now sold exclusively in Alexandria by Allen's Drug Store.

farmer practical scientific knowledge of how to increase the profits of his farm?

14. Do you advocate repeal of the Grain Standards and Warehouse acts, passed by a Democratic Congress, recommended and approved by President Wilson, which aid commerce in the great staple cereals and enable owners of stored agricultural products to secure loans on warehouse receipts on better terms?

16. What is your attitude toward the disloyalists of your party who have attempted to prevent the enforcement by President Wilson, both on the part of the American Government and by all American citizens, of an honest neutrality toward all the warring nations of Europe?

17. Inasmuch as the largest amount collected in any one year under the highest tariff ever enacted (Payne-Aldrich act) was \$333,000,000, what form of taxation would you substitute to pay a "preparedness" cost of \$630,000,000?

18. Do you favor the reactionary Republican plan of granting huge subsidies to favored corporations, money collected from the people by taxation, as the best way of encouraging the development of an American merchant marine?

19. Do you favor a repeal of the Child Labor law, the Anti-Injunction law, the Seaman's act and related social justice measures of high importance, passed by a Democratic Congress and recommended and approved by President Wilson?

20. Do you favor re-enactment of the Payne-Aldrich act, which betrayed your party's campaign pledge of 1908 and which has been repudiated by many Republican and all Progressive leaders?

21. Do you stand with those Progressives and progressive Republicans in Congress who voted for practically all the progressive measures mentioned above, or do you stand with the reactionary Republicans who voted against them?

In conclusion, the two Democratic committees say:

"President Wilson and the Democratic party submit their case to the American people on the record they have made. Broadly speaking that is the issue of the campaign. Upon the public survey and estimate of that record depends the outcome of the election."

If, as charged by you, Mr. Hughes, and your supporters, that record is bad and does not justify the continued coincidence of the country it will become your duty, if elected, to do all in your power to change that record. We submit that in all fairness the American people for whose verdict you are contesting, are entitled to know how much of this record you and your party will attempt to destroy if placed in power."
